

# FacilitationCamp

Explore with others how to facilitate better

**Fri 20 – Sat 21 August 2010**  
**Vauxhall • London**

FacilitationCamp is an ‘unconference’ where participants co-create the day: together we decide the agenda, share, collaborate, learn, network and have fun. It is not camping but it might be the coolest thing you do this summer. It is likely to leave you feeling inspired and buzzing. It could help you enormously with the work you want to do. It may help you create the future you dream of.

FacilitationCamp is for

- facilitators, trainers, consultants
- social enterprises
- builders of sustainable communities
- anyone who works with people or groups

Come and join in at:

The Spring Gardens

Vauxhall Gardens Community Centre

100 Vauxhall Walk

London SE11 5EL (just south of the river)
